Reference: September Monthly Report (8/1/03-8/31/03)

Dear Mr. Neel:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The Detailed Summary Page, on Line 18(a) Column A of your report, discloses \$20,000 in transfers from the non-federal account for allocated activity for the reporting period. However, Line 21 (a)(ii) Column A discloses \$9,681.02 as the non-federal share for allocated activity for the reporting period. While the non-federal account is permitted to transfer funds to the federal account for allocated activity, transfers for allocated activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. 11 CFR §§106.6(e)(2) and 106.7(f)(2) Please clarify the nature of the transfers-in from the non-federal account.

The Commission recommends that you immediately transfer back to the non-federal account, the total excessive amount which was received by your federal account outside the 70-day time period. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Schedule B supporting Line 21(b) of your report discloses a payment(s) totaling \$9,087.47 for "direct mail" and "direct mail expense."

Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24.

Please provide further clarification regarding this activity, specifically whether it referenced and promoted, supported, attacked or opposed a clearly identified candidate for Federal office. If this is the case, please amend your report to properly disclose this activity as an in-kind contribution, an independent expenditure or a coordinated expenditure, as appropriate, on a Schedule B, E or F supporting Lines 23, 24 or 25, respectively.

-Schedule D discloses the outstanding balance at the close of the period for the debt owed to Targeted Creative Comm. Inc. to be \$0. FEC calculations disclose this amount to be \$3,675.08. Please amend your report to clarify this discrepancy.

-Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "employee benefit" and "employee gift." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

-Your report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and

wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
